NARRATIVE:

Dario Banderas has an extensive adult criminal history that began at the age of 20. His convictions include discharging a firearm in public, exhibiting a deadly weapon, assault with a deadly weapon causing great bodily injury, domestic violence with injury, grand theft auto, driving under the influence of alcohol, marijuana while driving, unlicensed driving, possession of marijuana and possession of controlled substances. He has served multiple state prison terms, the longest being a 32 month term for grand theft auto. Banderas was released from state prison to the supervision of the Los Angeles County Probation Department on February 5, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2015 after he absconded from post release community supervision (PRCS). Banderas qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft auto is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
